## WHY IT'S DIFFERENT

Anyone exploring the Unsun Karuta range will find seven releases, all inspired by the Japanese card game from which the range takes its name, and all produced from the final stocks of Nine Leaves, acquired by La Maison & Velier. Kiri of Pao is one of these: a Single Cask, meaning a rum sourced from a single cask – in this case, a cask that previously held white wine, in which it matured for nine years following distillation in 2017. Bottled at 57°.
