WHY IT'S DIFFERENT

The Macallan Intense Arabica is a Single Malt Scotch Whisky that celebrates the world of coffee, inspired by the Ethiopian Arabica bean. This is the second edition in The Macallan's new limited release, following The Macallan Harmony Rich Cacao, dedicated to cocoa. Steven Bremner, Whisky Maker for The Macallan, is the main creator of this intensely flavoured whisky, designed to pair perfectly with coffee. To achieve this, Steven involved world-renowned coffee experts.
