WHY IT'S DIFFERENT

This unique Japanese blended whisky is the result of a blend of single malts from the historic Hanyu distillery – now closed – and those from Chichibu, both of which are linked to the visionary genius of Ichiro Akuto. The carefully selected components have been matured in a mix of ex-bourbon, ex-sherry and Japanese oak casks, creating a perfect harmony between sweetness and body.

HOW DO I DRINK IT?

Da degustare liscio.
